Project Connect

‘Project Connect is a college wide project that is looking to create and embed a culture of respect for each other, the college estate and the local community. We want to promote a set of shared values which reflect the college and provide opportunities for staff and students to engage with the development of the college culture by building on existing good behaviours and ensure that respect and responsibility is valued throughout the college.

Look out for the ‘Selfie’ campaign on My Day in September. ‘
